Why English Literature?

- ✓ English is a universal language which is needed at every stage and by opting for it as your optional you will not only enhance your aptitude and writing skills in writing all the papers of your mains examination but it will also help you a lot at interview stage.
- ✓ Very Specific and limited nature of the syllabus.
- ✓ Taking this as your optional will also enhance your understanding of Europe's history and world-view, useful with GS 1 paper.
- ✓ Opting for English optional can also greatly help and improve your essay writing ability as well as in summary and comprehension question for English compulsory paper.
- ✓ Practicing writing answers for English questions will help you with the Essay paper.
- ✓ Any student from non-literature background can opt for it because of very specific and limited syllabus. All questions in examination are strictly limited to the specified syllabus only.
- ✓ The limited and specific syllabus and very often repeated questions make it a scoring optional.

Here we are happy to take your Dreams journeys in our best services.

Thanks.
